26/03/018	Clerks(s) Report Clerk gave a brief report on some updates from the previous agenda.	
26/03/019	Public Forum MOP gave a small flooding update. Despite the weather, there has been no issues with the flooding. Maintenance seems to have been carried out this month so there seems to be some sort of resolution. An issue brought forward by Cllr. RGHC from a MOP who couldn't attend. The road on Crofts Lane is in a very poor state. HPC to send an e-mail to ERYC in support. Cllr. AB gave some information on the Coffee Morning at the Village Hall on Saturday 21 st March between 10am and 12pm. It is an initial meeting regarding the Pride in Place fund.	
26/03/020	Ward Councillor Update Cllr S. McMaster provided further insight into how the Pride in Place fund will be implemented. A neighbourhood board will be established to determine how the funding will be allocated. He also followed up on the feasibility study for a pedestrian crossing in Hollym. A survey conducted in early January showed that a crossing guard is not viable due to the low number of children crossing the road. According to a Senior Engineer at ERYC, while the concerns raised are understood and the points made are valid, the pedestrian numbers fall below the threshold required to justify a crossing. At this stage, Cllr McMaster does not expect the proposal to progress further. He will instead explore potential funding options for a slow-speed sign for Hollym. Other matters Cllr McMaster has addressed this month include the damaged sign on North Leys Road, which will be repaired or replaced, and ongoing issues relating to potholes.
