	MOP 1 – raised concerns regarding Leylandi Hedge/Tree which they felt was overgrowing and causing an obstruction at the junction of the crossroads. The footpath along the main road needing some maintenance and concerns regarding speeding and why we cannot have 30mph repeater signs in the village itself, or signage like some other villages do?  MOP 2 – raised concerns regarding speeding.  Chair explained why – repeater signs are not possible around the village and why we cannot just put up a sign – both are beyond the scope of the Parish Council and are Highways jurisdiction. Apart from this the other points mentioned will be kept under review.
